STATEMENT OF UNINTENTIONAL DELAY

The Applicant respectfully submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 (b) was unintentional.

The Applicant submits that, after the faxed response dated December 23, 2003 was sent to the USPTO, the Applicant intended to enter a deadline in its database to monitor the due date, the six months past the Final Office Action, by which a Request for Continued Examination (RCE) would have been immediately faxed to the USPTO to maintain the application alive. Unfortunately, due to a clerical error, the deadline was not entered into the database. The Applicant respectfully submits that he had every intention of continuing with the prosecution of the application.

The Applicant now submits the RCE and respectfully requests that the petition to reinstate the prosecution of this application be granted.

A check is attached to cover the petition, the RCE, and the IDS amounting to \$2,470.00.
